

# 30W LED Driver

**UL Listed IP67 Rated CLASS 2 CE FCC CB RoHS Compliant**

This 30W LED Driver operates at a high efficiency range. Key protective measures allow for safe use in home, hotel, restaurant, and other public lighting applications. Install with commercial lighting such as spot, panel, wall wash, down light, etc.

Sample Product Photo

- Constant Voltage
- Typical Efficiency 86%
- Power Factor  $\geq 0.97/100V$  at Full Load or  $\text{PF} \geq 0.90/277V$  at Full Load
- Free Air Convection Cooling
- 100% Full Load BurnInTest
- Short Circuit, Over Load, Over Voltage, and Over Temperature Protections

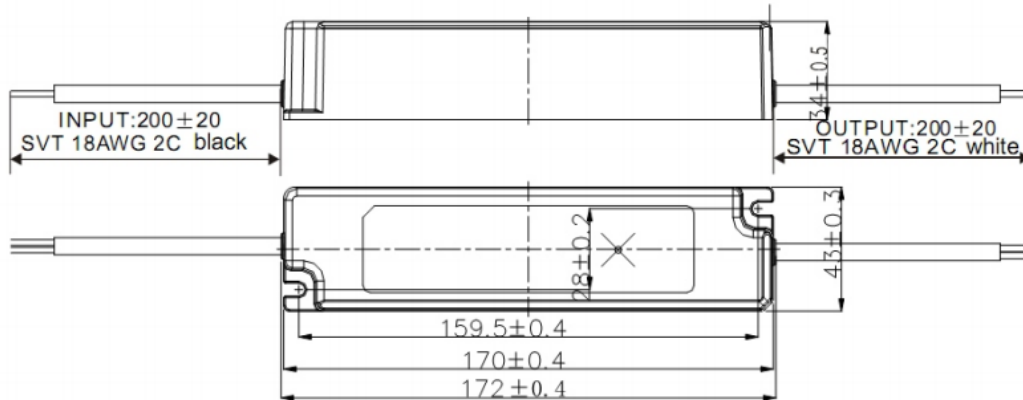

## Specifications

<b>Dimensions</b>	6.77”L x 1.69”W x 1.34”H (172 x 43 x 34 mm)
<b>Weight</b>	0.99lb (0.45kg)
<b>Case</b>	Plastic
<b>Input Voltage Range</b>	100V to 277V
<b>Output Voltage</b>	12V or 24V
<b>Output Current</b>	2.5A or 1.25A
<b>Output Power</b>	30W
<b>Working Temperature</b>	-13°F to 104°F (-25°C to 40°C)
<b>Working Humidity</b>	10% to 90% RH, Non-condensing
<b>Storage Temperature</b>	-13°F to 167°F (-25°C to 75°C)
<b>Storage Humidity</b>	5% to 95% RH
